884.14 State reclamation plan approval.

884.15 State reclamation plan amendments.

884.16 Suspension of plan.

884.17 Other uses by certified States and Indian tribes.

AUTHORITY: 30 U.S.C. 1201 *et seq.*

SOURCE: 47 FR 28600, June 30, 1982, unless otherwise noted.

### § 884.1 Scope.

This part establishes the procedures and requirements for the preparation, submission and approval of State reclamation plans.

### § 884.5 Definitions.

As used in this part—

*Reclamation plan* or *State reclamation plan* means a plan that a State or Indian tribe submitted and that we approved under section 405 of SMCRA and part 884 of this chapter.

[73 FR 67642, Nov. 14, 2008]

### § 884.11 State eligibility.

You, a State or Indian tribe, are eligible to submit a reclamation plan if you have eligible lands or water as defined in § 700.5 of this chapter within your jurisdiction. We may approve your proposed reclamation plan if you have an approved State regulatory program under section 503 of SMCRA, and you meet the other requirements of this chapter and SMCRA. The States of Tennessee and Missouri are exempt from the requirement for an approved State regulatory program by section 402(g)(8)(B) of SMCRA. The Navajo, Hopi, and Crow Indian tribes are exempt from the requirement for an approved regulatory program by section 405(k) of SMCRA.

[73 FR 67642, Nov. 14, 2008]

### § 884.13 Content of proposed State reclamation plan.

You must submit each proposed State reclamation plan to the Director

in writing. A proposed plan for a certified State or Indian tribe must include the designation described in paragraph (a) below and a commitment to address eligible coal problems found or occurring after certification as required in §§ 875.13(a)(3) and 875.14(b) of this chapter. A proposed plan for an uncertified State or Indian tribe must include the following information.

(a) A designation by the Governor of the State or the governing authority of the Indian tribe of the agency authorized to administer the State or Tribal reclamation program and to receive and administer grants under part 885 or part 886 of this chapter.

(b) A legal opinion from the State Attorney General or the chief legal officer of the State agency that the designated agency has the authority under State law to conduct the program in accordance with the requirements of Title IV of the Act.

(c) A description of the policies and procedures to be followed by the designated agency in conducting the reclamation program, including—

(1) The purposes of the State reclamation program;

(2) The specific criteria, consistent with section 403 of the Act for ranking and identifying projects to be funded;

(3) The coordination of reclamation work among the State reclamation program, the Rural Abandoned Mine Program administered by the Soil Conservation Service, the reclamation programs of any Indian tribes located within the States, and OSM's reclamation programs; and

(4) Policies and procedures regarding land acquisition, management and disposal under 30 CFR part 879;

(5) Policies and procedures regarding reclamation on private land under 30 CFR part 882;

(6) Policies and procedures regarding rights of entry under 30 CFR part 877; and

(7) Public participation and involvement in the preparation of the State reclamation plan and in the State reclamation program.

(d) A description of the administrative and management structure to be used in conducting the reclamation program, including—

## § 884.15

(1) The organization of the designated agency and its relationship to other State organizations or officials that will participate in or augment the agency's reclamation capacity;

(2) The personnel staffing policies which will govern the assignment of personnel to the State reclamation program;

(3) The purchasing and procurement systems to be used by the agency. Such systems shall meet the requirements of Office of Management and Budget Circular A-102, Attachment 0; and

(4) The accounting system to be used by the agency, including specific procedures for the operation of the State Abandoned Mine Reclamation Fund.

(e) A general description, derived from available data, of the reclamation activities to be conducted under the State reclamation plan, including the known or suspected eligible lands and waters within the State which require reclamation, including—

(1) A map showing the general location or known or suspected eligible lands and waters;

(2) A description of the problems occurring on these lands and waters; and

(3) How the plan proposes to address each of the problems occurring on these lands and waters.

(f) A general description, derived from available data, of the conditions prevailing in the different geographic areas of the State where reclamation is planned, including—

(1) The economic base;

(2) Significant esthetic, historic or cultural, and recreational values; and

(3) Endangered and threatened plant, fish, and wildlife and their habitat.

[47 FR 28600, June 30, 1982, as amended at 73 FR 67642, Nov. 14, 2008; 75 FR 60276, Sept. 29, 2010]

### § 884.14 State reclamation plan approval.

(a) The Director shall act upon a State reclamation plan within 90 days after submittal. A State reclamation plan shall not be approved until the Director has—

(1) Held a public hearing on the plan within the State which submitted it, or made a finding that the State provided adequate notice and opportunity for

public comment in the development of the plan;

(2) Solicited and considered the views of other Federal agencies having an interest in plan;

(3) Determined that the State has the legal authority, policies, and administrative structure necessary to carry out the proposed plan;

(4) Determined that the proposed plan meets all the requirements of this subchapter;

(5) Determined that the State has an approved State regulatory program; and

(6) Determined that the proposed plan is in compliance with all applicable State and Federal laws and regulations.

(b) If the Director disapproves a proposed State reclamation plan, the Director shall advise the State in writing of the reasons for disapproval. The State may submit a revised proposed State reclamation plan at any time under the procedures of this section.

### § 884.15 State reclamation plan amendments.

(a) A State may, at any time, submit to the Director a proposed amendment or revision to its approved reclamation plan. If the amendment or revision changes the objectives, scope or major policies followed by the State in the conduct of its reclamation program, the Director shall follow the procedures set out in § 884.14 in approving or disapproving an amendment or revision of a State reclamation plan.

(b) The Director shall promptly notify the State of all changes in the Act, the Secretary's regulations or other circumstances which may require an amendment to the State reclamation plan.

(c) The State shall promptly notify OSM of any conditions or events that prevent or impede it from administering its State reclamation program in accordance with its approved State reclamation plan.

(d) State reclamation plan amendments may be required by the Director when—

(1) Changes in the Act or regulations of this chapter result in the approved
